VOLLEYSTATION

Simulation Training for Score Keeper and Paid R1 Officials

APPLE APP STORE   GOOGLE PLAY

1. Download and open the VS Score app (use QR codes at top right)
2. If the app prompts you to allow finding of Bluetooth devices, tap allow.
3. If you see a blue "Try app" button, tap it (rather than the white "Login to Sync" button).
4. Allow the sync process to complete, then tap the blue "Sync done" button.
5. Tap blue "+" in the bottom right corner
6. Tap "scan QR code"
7. Scan QR code given by referee (use the example at lower right - you may need to cover the app store codes above)
8. Tap "set rosters"
9. Select players using the check boxes and add players if needed
10. Tap "Save roster"
11. Tap "Create match" (You will be asked to confirm the rules and tap "Create match" again)
12. Change sides for teams if needed (icon in center of court)
13. Select team colors (color buttons at bottom of the court)
14. Tap "Set lineups" and select the starting players by tapping position numbers and player numbers (use the lineups below)
15. **Select the serving team**
16. Select team captains
17. Check lineups after teams have taken their places on the court
18. Tap "Start match"
